

HELP a Young Person & Prevent Homelessness

Drivers

Often young people who are homeless will not have the means to travel to a host placement where they can have shelter for the night, so we are looking for volunteers to drive young people to their host placements, within the Taunton Deane and Sedgemoor area.

We will reimburse volunteers for their mileage expenses.

To learn more about becoming a Driver, Phone Routes on: 01278 726000 ext 241.
